TANGLE TEEZER PLANT BRUSH SEEDING KITS

The image shows the Tangle Teezer logo, which consists of the words "TANGLE" and "TEEZER" stacked in a bold, sans-serif font. A registered trademark symbol (®) is located at the top right of the word "TEEZER". The logo is printed in black on a light-colored, textured background that resembles recycled paper. In the upper center of the page, there is a faint, large, circular watermark or embossed design, possibly representing a seed or a hairbrush head. The overall lighting is soft and even, highlighting the texture of the paper.
